This 4 day bicycle race will help boost the tourism of the Zamboanga Peninsula. The racers will come from all over the Philippines. The magnitude type of this race has never been done in Mindanao.

B.O.S.S. via APO-SOZA-ALAS has been doing charitable work for children and adults with cleft lip/palate since last year. Some of the works were done in Tacloban City, Margosatubig, Marawi City and Surigao City. We would like to extend this work throughout Mindanao and hopefully The Philippines.

Currently we are promoting this race through [zamboanga.com](http://zamboanga.com), who has a webpage for every single barangay in the Philippines, all 42,027 of them. This exposure over the internet will bring racers from all over the Philippines to our beautiful Zamboanga peninsula.
